

MORNSUN

Industrial DC&AC converter professional

FOR IMMEDIATE RELEASE

Low Cost, 1 Watt, Surface Mount DC/DC Converters

The A_T Series of 1W DC/DC Converters from Mornsun America are designed to provide distributed power and 1000VDC of input-to-output isolation in a miniature 10-pin SMT package.

Twelve standard models operate from 5VDC, 12VDC, or 24VDC inputs, providing single or dual outputs of 5V, 9V, 12V, 15VDC, or 24VDC. Standard features include efficiency as high as 78% and a MTBF calculated to 3,500,000 hours.

Full load operation for the A_T Series is specified over the wide -40°C to +85°C temperature range. Short circuit protection is inherent in the design. The Series is approved to UL60950-1 standards.

Pricing starts at \$2.99 in OEM quantities, with delivery from stock to 8 weeks ARO. Full specifications are available at www.mornsunamerica.com or by contacting our Tech Group at tech@mornsunamerica.com. For price and delivery questions, please contact us at sales@mornsunamerica.com
